

PROTNETEOMIX PRESSE RELEASE, 2009

2008

- November: **European Biopharmaceutical Review**, "Molecular Interactions on Microarrays".
- October: **Biofutur**, "ProtNeteomix mise sur de nouvelles technologies".
- September: **Funakoshi News**, "MAGYarray, Antibody array".
- July: **European Biopharmaceutical Review**, "Cost-effective Microarray-Based Solutions for Drug Discovery & Development".
- July: **Atlantic Biotherapies Newsletter**, N°21: "ProtNeteomix un bilan encourageant à l'international".
- June: **La Lettre API**, N°752.
- March: **European Biopharmaceutical Review**, "ProtNeteomix proposes cost-efficient microarray based solutions for Drug Discovery & Development".
- March: **Clinical and Experimental Allergy**, "Assessment of the immunoglobulin E-mediated immune response to milk-specific proteins in allergic patients using microarrays".

2007

- September: **Ouest France**, "Europe unites against bacterium".

2006

- February: **Biotech Finances**, "ProtNeteomix commercialise its first bioarray".
- January: **Genetic Engineering News**, "Drug Discovery: Protein Profiling Poised to Make its Mark".

2005

- January/ February: **Business Reference**, "ProtNeteomix fights against cancer".

2004

- November: **BIOTECHINFO** - L'Usine Nouvelle

2003

- February: **L'Expansion**, "Les 10 chercheurs qui dopent l'industrie".

2002

- December: **La gazette du laboratoire**, « De nouvelles technologies pour la post-génomique et la protéomique », n°73.
- December: **L'Usine Nouvelle – publicscopie**, « ProtNeteomix propose des solutions innovantes ».
